PRINCIPAL'S MESSAGE

First of all, I am very glad to let you know that I feel myself as the luckiest one to be a part of the “**STEPS ACADEMY KRISHNAI**” a junior college of Science, Arts & Commerce run by the “**Steps Education Society**”, Krishnai. It is also a good news for the people of Krishnai that a junior college is established at Krishnai. At present, it is seemed to be a “Sapling” which is planted by some young and very laborious youth. Now it is also your (the entire people of Krishnai) responsibility to look after it and make it a full-grown tree. Being a principal, I have been bestowed upon a very hard task and responsibility to uplift this institution to its zenith and therefore I take an oath to try my utmost best to make it a successful one and fulfill its dream. I assure that this education group provides students with a wide array of learning abilities, an environment where they can learn. Infine, I wish a very bright and prosperous future of “**STEPS ACADEMY KRISHNAI**”.

Mrs. Bhaswati Sharma, M.A., B.Ed., D.El.Ed

VICE-PRINCIPAL'S MESSAGE

I am privileged and proud to be part of **STEPS ACADEMY KRISHNAI**. As a Vice-Principal of this junior college, I render my support and guidance to the teachers, in their career and professional development. Our main focus is to provide the best education and to prepare the students for their rewarding careers. Today we are living in a fast changing complex society, which presents before us challenges as well as opportunities. In this context it all depends on every individuals how one responds to the situation with the right mindset. I remember the words of Benjamin Disraeli, "***Nurture your mind with great thoughts, to be better human persons, to build a better society***". I firmly believe that every human being endowed with various talents and skills is a precious gift of God. The institute is blessed with highly qualified and trained band of faculties who come with experience in the particular field. At the very last, we assure you of our best attention and care for the students to achieve their goal.

Miss. Mahsina Ahmed, M.Sc., B.Ed., D.El.Ed

About Us

Steps Academy Krishnai, A Jr. College of Science, Arts & Commerce founded in the year 2020, stands true to its motto - **"Education, Development and Progress"** along with a long-cherished desire to impart quality education. Primarily the college was started as a coaching institute named Steps Education Krishnai in 2014. It is worthwhile to mention that the academy achieved immense response from the society and later on it was decided to give birth to a junior college named Steps Academy Krishnai, comprising of Science, Arts and Commerce stream, in the year 2020. The institute is an initiative of **Steps Education Society**, Krishnai to develop Krishnai educationally forward with an objective to provide quality education with modern infrastructure having digital classrooms, standard science laboratory, library and Computer laboratory for the students to provide authentic learning in Science, Arts & Commerce. Our main aim is to make the students able to understand the topics of each subject very well without any confusion and doubt so that they can acquire the knowledge of each subject clearly.

Our Objectives

The term "Quality Education" comprises 'the wider of sense' of education. In response to this view, the emphasis is desired to be laid on the following –

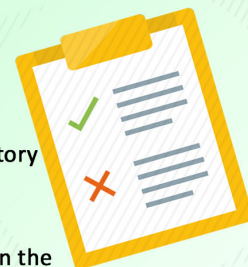

- 1) To enable the students to understand the basic concept of core subjects.
- 2) To equip and guide the students to apply the basic concept acquired from knowledge through intensive and extensive coaching in each subject by permanent and qualified faculties and thereby enabling the student to prepare for the all India level competitive examinations such as JEE, NEET, CEE etc. with a different approach under present educational scenario.
- 3) To enable the students to acquire the skill of problem analysis in an examination environment and to ensure their optimum all round performance.
- 4) Regular interaction with guardians by the management for monitoring the student and faculty relationship in the best interest of the student.
- 5) The committed and qualified faculty working on a permanent basis will conduct periodical tests to help the students to be mentally alert and emotionally balanced to face the toughest of all entrance examinations with confidence in future.
- 6) To provide moral education with a view of preparing the students to face real life situations.

Rules & Regulations

The College aims at providing education with high moral values to the students who are committed to hard work. The students are expected to maintain strict discipline and order in and out of the campus. In furtherance of its commitment to an environment of honesty, fairness and mutual respect, the college takes serious cognizance of acts of academic / professional misconduct that include cheating on academic exercises, misrepresentation etc. They should be sincerely devoted to their studies and should not waste time unnecessarily.
